I. RELEASE OF INFORMATION
A transcript is a confidential document that cannot be released to a third party without the written consent of the student. This is in accordance with the Family Educational Rights and Privacy Act of 1974 as amended.

II. STUDENT STATUS
A student's status is determined from his or her academic performance and conduct. A student is in good standing and eligible to return unless there is a notation of a drop status or disciplinary action in the lower right corner above the Registrar's signature.

III. CREDIT
A. University Credit
Courses shown on the transcript reflect all work attempted while a student at the Urbana-Champaign campus.
1. Undergraduate and professional credit is recorded in semester hours. Each semester hour represents one fifty-minute period of classroom work each week for the duration of one semester of sixteen weeks (two periods of classroom work per week during an eight-week summer session), or the equivalent in laboratory, field work, or approved independent study.
2. Graduate credit is recorded in semester units and is identified by a lozenge (◊) immediately following the credit entry. Each semester unit of graduate work is considered equivalent in quantity of classroom work to four semester hours. (See Lozenge, Section V.)
B. Transfer Credit
1. Undergraduate transfer credit shown on the transcript is that credit accepted for admission purposes by the University of Illinois. It is recorded in semester hours.
2. Graduate transfer credit shown on the transcript is that credit accepted for degree purposes by the Graduate College of the University of Illinois. It is recorded in semester units.
C. Intercampus Graduate Program Credit
When only one of its campuses has degree-granting authority in a particular area, the University conducts an intercampus degree program based on cooperative agreement between any two or more departments on different campuses of the University whereby a candidate may earn a degree at the master's or doctoral level. Credit earned in an intercampus graduate program at the Chicago campus is recorded on the transcript as quarter hour credit. The presence of the lozenge (◊) designates graduate course work, not semester units, in this case.
D. Religious Foundation Courses Credit
Courses offered by the religious foundations located in Urbana-Champaign are accepted for credit by the University. No grades are recorded on the transcript for religious foundation courses and the credit is not included in the cumulative GPA.

IV. COURSE NUMBERING SYSTEM
100-199... Courses primarily for freshmen and sophomores
200-299... Courses primarily for undergraduate students who satisfy the published prerequisite(s), if any
300-399... Courses primarily for juniors, seniors, professional and graduate students who satisfy published prerequisite(s), if any
